Defect is defined as a shortfall in the product to perform to Dal-Tile specifications as disclosed in product literature, within industry allowable tolerances as set forth in standard, national industry protocols. Dal-Tile provides detailed information in its product literature regarding appropriate applications for this product. Failure to comply with recommended applications voids this warranty. **THIS FIFTEEN-YEAR EXPRESS LIMITED WARRANTY IS THE SOLE WARRANTY EXTENDED AND REPLACES ANY STATUTORY WARRANTIES TO THE MAXIMUM EXTENT ALLOWABLE BY LAW.**

Implied Warranty of Fitness for a Particular Purpose

Dal-Tile provides detailed information in its product literature regarding appropriate applications for this product. Failure to comply with recommended applications voids this warranty. There are no warranties extended beyond the description on the face hereof.

Implied Warranties Limited in Duration and Scope

The Federal Magnuson-Moss Warranty Act limits disclaimers of implied warranties involving consumer products. To the maximum extent allowable by federal and state law, this warranty supplements or supersedes federal and state consumer goods warranty protections. There are no warranties extended beyond the description on the face hereof.

Additional Exclusions

All warranty claims must be reported immediately. Failure to report any warranty claim within 30 days of defect discovery will void this warranty. All products must be inspected prior to installation. Installation of products with visual defects or nonconformities apparent prior to installation voids this warranty.

Customer misuse including negligence, physical, or chemical abuse is not covered by this warranty. Installation defects are not covered by this warranty.

Dal-Tile does not recommend its products for use on ceilings or roofs, unless specifically disclosed as being suitable for ceilings or roofs in product literature. Local building codes may dictate minimum performance specifications. Dal-Tile does not warrant product installations that violate building codes.

Failure to comply with recommended applications voids this warranty. Appropriate applications include: RESIDENTIAL: kitchen countertops, islands, table tops, bathroom vanities, tub and shower surrounds; COMMERCIAL: dining tables, bar tops, vanities, partitions, walls, food preparation areas, serving areas, beverage station tops, and sterile prep areas. Warranty only covers polished finishes. Please note that due to greater exposed surface area, the textured finishes will require more daily maintenance than a polish finish. Thus, no finish (except for "Polish" finish) is covered in our warranty.
